MENE RESEARCH is ATTENDING the 4th ANNUAL INVITATION-ONLY SUMMIT

The 4th Annual Invitation-Only Summit for Medical Device and Diagnostics Chief Compliance Officers which will be held in June 8,9 2010 at Boston, USA. This Summit has been designed to encourage an open exchange of ideas and strategies surrounding some of the most critical issues facing compliance and legal departments in the medical device and diagnostic industry. Participants can share their challenges in these areas, pose questions of their colleagues and come away with valuable insights into current and future compliance strategies. An antitrust attorney is present throughout the Summit to ensure appropriate and compliant discussion among participants.
