Pharmaceutical Distributors Urgently Needed in Middle East, Turkey, Israel and South Africa

AlphaBeta Pharma has secured a number of exclusive marketing deals for pharmaceutical products (including generics) in CNS and pain management area. New distributors in Middle East, Turkey, Israel and South Africa are urgently needed to expand the business and AlphaBeta Pharma CEO will be touring the region in September stopping at Istanbul, Cairo, KSA and Dubai to negotiate the new deals with our network.

Potential distributors should have a solid financial records and proven track of successful regulatory approval, marketing & sales strategy and ambitious target achievements.
